THOUSANDS OF MUD PIES BROKEN

Janowski Was Easily High Gun, Breaking Forty-Eight Out of Fifty.

CLUBS SHOOT TO A DRAW

The largest crowd of the season was out at the Richmond Gun Club yesterday—twenty shooters, who vied with each other in pulverizing "mud pies." About two thousand targets were thrown from 4:30 o'clock until dark.

Mr. Janowski was easily the winner of the high gun medal by breaking 48 out of 50 and only dropping one target in the last string of fifty. He is now shooting in better form than any man in Richmond.

MacLellan was second with the rattling good score of 44 out of 50.

There were two races at 25 targets each, shot by two teams, one representing West End, the other the Richmond Gun Club. The former won the first race by two targets, while the Richmond Club won the second race by 14 targets. In the new future the tie will be shot off on the grounds of the West End Club.

The contest for the Hotel Lawrence medal will open on next Saturday, and will be a very interesting race during the season.

Messrs. Brown and Martin have just received their new Parker guns and are shooting them well.

Thursday's Contest.

There was a fair-sized crowd of shooters to face the traps Thursday at the West End Gun Club. The high wind was not conducive to good scores, yet some excellent shooting was done. A new Parker gun, and judging from the way he pulverized the targets the gun must be well broken.

In the extra event Sam Taylor made the first straight of his life.
